Thank you for your interest in the Mending Fences program, a resource powered by the Highland Ridge Community Development Corporation (HRCDC).

HRCDC provides free home repairs to low-income homeowners who are also senior citizens, veterans, or individuals with a permanent physical disability. - You must own your home, and lived in that residence for the past three years;
- Your home must be located within the city of Washington, Pennsylvania;
- Your total household income must fall at or below 150% of HUD's Poverty Guidelines. (All residents in the home must disclose their income);
- You must be current on your property taxes or payment plan.
